## ACHIEVEMENTS

First position in Dance for 3 consecutive years during Bachelor's degree (06/2011 - 06/2014)

Actively participated in College's fest every year and topped it.

CR for 3 consecutive years during Bachelor's degree (06/2011 - 06/2014)

Topped College every year and got a privilege to become CR

Awarded as 'Behind The Scenes, creating wonders' (09/2018 - Present)

For helping and covering the team during different shifts and avoiding critical escalations.

Was promoted to Module Lead during probation period (07/2016 - 07/2017)

During my first project, I was put into a module which consisted of 6 applications. Within few months I was able to handle the entire module. Then lead the module and short team of 4 members.

Client Appreciated as 'Best Code Delivery' (07/2017 - 08/2018)

When I lead the module, I was assigned a new product's integration which my team has delivered it with great efficiency and within time.

Awarded as 'Behind The Scenes, creating wonders' (01/2019 - Present)

For helping and covering the team during different shifts and avoiding critical escalations.
